

PLEASE CHECK ONE OR BOTH BOXES:

C7000 Series Battery Adapter Design

C7000 Series Quick Test Matrix Design

- Complete **one sheet for each equipment/product** that the battery is used in.
- Please provide a sample of **all** the batteries that the equipment/product uses.
- **For Quick Test Matrix Design, at least 3 batteries of the same model are required:**
One in excellent condition less than a month old; One in use for 2 - 6 months; One with a capacity less than 80%.
- **A copy of any battery documentation or schematics would be appreciated.**
- Please use extra sheets if there are more than two different batteries sent.
- **Unless requested, batteries will not be returned.**
